BOSTON.

## A REPORT

OF THE

## RECORD COMMISSIONERS.

---

The Record Commissioners herewith submit the seventh volume of the publications issued under the authority and at the expense of the City of Boston. It is a continuation of the Town Records from the point at which their second printed volume closed, and includes all the records from March 11th, 1660-1, to March 10th, 1700-1. Up to this latter date the records of town meetings were kept with those of meetings of the Selectmen; from this date they are in separate books. It seemed best to close this report at the point of division, in order that hereafter the Town Records may be printed in one series, and the Selectmen's Records in another. It is unnecessary to point out the value of the volume here presented to the public, but attention may be called to the careful "Index of Places and Subjects," prepared by Mr. John T. Priest, assistant City Clerk, by which reference to the valuable records is so greatly facilitated.

The Commissioners have the material prepared for a volume of the earliest records of births, deaths, and marriages, contained in the records of the Town Clerk and of the First Church, which will be sent to press forthwith. It is also their intention to continue the publication of the Town Records, believing that no more important duty can be found. As this volume has been stereotyped, it will be always possible to supply copies to all persons having any reasonable claim.

WILLIAM H. WHITMORE,  
WILLIAM S. APPLETON,

*Record Commissioners.*

That Mr Isack Addington & John Joyliffe p[er]use & put the foregoeing in a right methode fit for the presse togeather with all former orders relateinge to fire.

That 16 men (two out of each Company) doe ward in y<sup>e</sup> towne every Sabbath day, one of w<sup>ch</sup> is to be on y<sup>e</sup> Top of each Meetinge house, to looke abroad for preuentinge spreadinge of fire y<sup>t</sup> may breake out.

The valuation of Estates in this towne was taken by Cap<sup>t</sup> John Richards Com<sup>is</sup>sioner and the Selectmen and dd to the said Com<sup>is</sup>sioner amounting to 175<sup>l</sup>d. 3<sup>s</sup>. 2<sup>d</sup>.

At a meetinge of y<sup>e</sup>. freemen y<sup>e</sup>. 29 of Aug. M<sup>r</sup>. Anthony Stoddard & Capt John Richards Deputies of y<sup>e</sup>. Generall Court made a returne of what was comited to them by their instructions to promote at y<sup>e</sup>. s<sup>d</sup>. Court for y<sup>e</sup>. towne and then it was recomended to y<sup>e</sup>. s<sup>d</sup>. Deputies by y<sup>e</sup>. freemen y<sup>t</sup>. at next session of y<sup>e</sup>. Generall court they againe move & presse y<sup>e</sup>. 5<sup>th</sup>. Article in their instructions concerning the augmentation of Deputies of this towne in s<sup>d</sup>. Court [128.] and the 16<sup>th</sup>. Article concerning strangers cominge into & residinge in y<sup>e</sup>. towne without the approbation of y<sup>e</sup>. Selectmen be againe presented to be considered of by the Court beinge very prejudiciall to y<sup>e</sup>. towne as now it is.

Accordinge to a vote of the freemen of this towne the 20<sup>th</sup> of March 1678 the Comitee & Selectmen apoynted to drawe up instructions for the Depeties of y<sup>e</sup>. Generall Court presented these followinge instructions at a meetinge of the said freemen the 26<sup>th</sup> of May 1679 w<sup>ch</sup>. were then read & aproved of.

1. That endeavors of peace & unitie be attended and noe controversall disputes moved, it beinge at time to unite.

2. That in all matters of judicature wherein you may be called to give yo<sup>r</sup> vote you assume noe arbitrary powre but preserve our knowne & established lawes for yo<sup>r</sup> direction therein exceptinge in matters of meere grace & fav<sup>r</sup> wherein you may abate of y<sup>e</sup>. rigour of the lawe accordinge to yo<sup>r</sup> discretion.

3. That in the exercise of yo<sup>r</sup> legislative powre you have respect to the Charter or Patent & that you make noe law or ord<sup>r</sup> repugnant to the same.

4. That in all matters y<sup>t</sup>. may come under yo<sup>r</sup>. consideration you passe nothing y<sup>t</sup>. may in y<sup>e</sup>. least measure infringe our liberties or priviledges in any nature or kinde whether civill or ecclesiasticall granted by Charter.

5. That whereas the number of freemen in this towne of Bostone are much enlarged, that wee may have deputies proportionable thereunto, or at least to our number of Churches.

6. That waight & measures may be considered of accordinge to what was presented to the Generall Court the last yeare, and y<sup>t</sup>. our drie measures may be made in depth not above half the diameter.

7. That whereas there may be more use of bricks then formerlie. the lawe relatinge to tyles may extend alsoe to bricks, as to the earth they are made of & y<sup>t</sup>. not temp<sup>r</sup>ed with salt or brackish water. That alsoe a size may be apoynted & their molds to be shod.

8. That the lawe respectinge booke debts may be repealed.

9. That some order may be taken concerninge regulateinge Buildings in the respective townes, that by scatteringe they expose not themselves to the crueltie of the natives or by their narrow streetes to the danger of fire.

10. That the mony stamp in y<sup>e</sup>. collony may be made somethinge lesse, that the carryinge it out may be prevented & y<sup>e</sup>. bringinge in of Bullion may be encouraged.

11. That it be desired that the companies of this towne of Bostone may be made a regiment.

12. That care may be take y<sup>t</sup>. all wares made of pewt<sup>r</sup>. or silver whether brought to the countrie or made here and exposed to sale may be of y<sup>e</sup>. just alloy.

13. That y<sup>e</sup>. lawes concerninge ecclesiasticall meetings may be revised & reinforced.

[129.] 14. That some meete & orderlie course may be taken for the removeall of y<sup>e</sup>. Easterne people y<sup>t</sup>. doe not belonge to this towne.

15. That some provision may be made y<sup>t</sup>. strangers admitted into the collony may not be forced upon this towne without consent of the Selectmen unlesse they give securitie as well for their good behaviour as securing the towne from charge.

16. That the Gentlemen y<sup>e</sup>. Deputies for this towne be pleased to make a returne of what shall be done in the premises at y<sup>e</sup>. end of each session.

The foregoinge instructions were subscribed by the comittee & Selectmen & delivered to the Deputies.

At a meetinge of the freemen of this towne y<sup>e</sup>. 29<sup>th</sup>. of August 1679 upon hearinge the returne our Deputies for y<sup>e</sup>. Generall Court made in answer to our instructions given them It was voted y<sup>t</sup>. — some of the same Instructions again be presented to a further & more serious consideration with the waight of the followinge arguments at y<sup>e</sup> next session of y<sup>e</sup> Generall Court.

1. That wee may haue Deputies in the Generall Court, proportionable to our Nomb<sup>r</sup> of Freemen at least to our Nomb<sup>r</sup> of Churches.

Objection. — That y<sup>e</sup> Cittie of London hath but 4 Burgesses to y<sup>t</sup> greate Cittie, w<sup>ch</sup> by y<sup>t</sup> rule beares noe proportion with lesser Townes.

Answer — The priuiledges & imunities w<sup>ch</sup> the Cittie of London peculiarie enjoys either as they are a Corperation or otherwise is such y<sup>t</sup> they are in a capacitie to helpe themselves, and secure their interest, both respecting suppression of vice, encouragem<sup>t</sup> of virtue and aduancem<sup>t</sup> of Trade, w<sup>ch</sup> if the like priuiledge or some thinge equiuelent, may be granted to the towne of Bostone will be duely and thankfully acknowledged.

2<sup>d</sup>. Our Charter make y<sup>e</sup> Gouern<sup>r</sup> & Company (w<sup>ch</sup> are the Freemen) to be ye Generall Court to make Lawes &c. And our Towne consistinge of, not onely a farr greater Number of Freemen, then any other Towne in the Collony, but alsoe of more Churches. Wee thinke our selues deprived of our pattent right, if wee shall still be denyed a proportion of Deputies to our Freemen.

3<sup>ie</sup>. By our Lawes euery Deputie in Generall Court represents but 10 Freemen because euery Towne that haue aboue 10 Freemen may send a Deputie and euery towne y<sup>t</sup> haue 20 may send 2 Deputies (& noe Towne more then two) soe y<sup>t</sup> all the Freemen in each Towne more then 20 haue noe vote in y<sup>e</sup> Generall Court, neither by themselves or any representative. And shall 20 Freemen haue equall priuiledge with our greate Towne, y<sup>t</sup> consists of neere twentie times twentie freemen & beares their full proportion of all publike charges.

All w<sup>ch</sup> wee desire may be considered & compared w<sup>th</sup> the afores<sup>d</sup>. clause in our charter concerninge freemens powre in makeinge Laws.

4<sup>thly</sup>. It is but resonable & equitable y<sup>t</sup>. all townes should be allowed their priuilege proportionable to y<sup>e</sup>. charge they beare.

[130.] Secondlie. That this towne may have powre to eject all such persons y<sup>t</sup>. come from other townes or countries to reside here w<sup>th</sup>.out a due & orderlie admission & aprobaton from s<sup>d</sup>. towne or y<sup>e</sup>. selectmen thereof, for want of w<sup>ch</sup>. powre the towne is filld with poore idle and profane psons w<sup>ch</sup>. are greatlie prejudittiall to the inhabitants, and that those Easterne people & others y<sup>t</sup>. came hither for shelter & releife in time of warr may be removed, havinge beene very chargeable to the towne already.

Because y<sup>e</sup>. constitution of y<sup>e</sup>. Towne of Bostone is such in respect of y<sup>e</sup>. continuall resort of all sorts of persons from all p<sup>tes</sup>. both by sea & land, more then any other towne in y<sup>e</sup>. Collony. there is a necessitie of some peculiar powre or priviledge whereby to defend themselves from y<sup>t</sup>. pphanes and charge two much growinge upon us.

3<sup>dly</sup>. That there be a regulation of waight & measures accordinge to y<sup>t</sup>. proposall presented to the Hon<sup>rd</sup>. Court last yeare by Capt Brattle &c.

4<sup>thly</sup>. That some espetiall Order be taken for preuentien of fireinge y<sup>e</sup> Towne & for the detectinge & punishment of those psons that haue beene wicked Instruments of the late burninge & attempts of more, & y<sup>t</sup> any pson suspected may haue due cource taken with them for y<sup>e</sup> discouery thereof.

Lastlie. — That in regard of the greate losse of this towne here is sustained by the late fire, The Hon<sup>rd</sup> Court would be pleased to make abatement of the last Rate to y<sup>e</sup> Country w<sup>ch</sup> was aboue 800<sup>l</sup>. & should haue beene paid in by y<sup>e</sup> last of Aug<sup>t</sup> past, but is not yet gathered many people in the interim, beinge much & some wholie impoverished by y<sup>e</sup> s<sup>d</sup> Fire. [Subscribed by Thomas Brattle, John Joyliffe, Henery Allen, Elisha Hutchinson, John Faireweath<sup>r</sup>. Daniell Turell, Thomas Savage, Edward Raynsford. Symon Lind, John Saffine Theophilus Frary.
